FAMILY VIOLENCE PREVENTION PROJECT 2021-2022

The Family Violence Prevention Program accepts project proposals annually from Manitoba First Nations. The program supports activities that increase awareness of family violence and provide families and communities with:

- Tools to address family violence (treatment and intervention)
- Culturally sensitive services (Elder and traditional teachings)
- Awareness and self-development projects

**Call for Proposals open
May 17 to August 31, 2021**
